

Fall Plant Species Identified from Hi-Mountain Environs

Compiled by Dirk Walters & David Chipping

Scientific Name	Common Name
FERNS & ALLIES (SEEDLESS)	
Selaginellaceae	
<i>Selaginella biglovii</i>	Club moss
Pteridaceae	
<i>Pellaea mucronata</i>	Birds-foot fern
Dryopteridaceae	
<i>Dryopteris arguta</i>	Wood fern
CONIFERS SEEDS, NO FRUITS	
Cupressaceae	
<i>Hesperocypress (Cupressus) macrocarpa</i>	Monterey Cypress (?)
FLOWERING PLANTS - FRUITS	
MAGNOLIIDS	
Lauraceae	
<i>Umbellularia californica</i>	California bay
EU DICOTS	
Adoxaceae	
<i>Sambucus nigra (mexicana) ssp. caerulea</i>	Elderberry
Anacardiaceae	
<i>Toxicodendron diversilobum</i>	Western Poison oak
Apocyanaceae [inc. Asclepiadaceae]	
<i>Asclepias fasciculatus</i>	Whorled milkweed
Asteraceae	
<i>Acourtia microcephala</i>	Scapelote; perizia
<i>Agoserus</i> sp.	False dandelion
<i>Anapulus margaritacea</i>	Pearly everlasting
<i>Artemisia californica</i>	California sage brush
<i>Baccharis pilularis</i>	Coyote bush
<i>Centaurea melitensis</i>	Tocolote
<i>Centauria solstitialis</i>	Yellow star-thistle
<i>Ericameria arborescens</i>	Golden fleece
<i>Eriophyllum conferiflorum</i>	Interior golden yarrow
<i>Pseudognaphalium</i> sp.	Pearly everlasting
<i>Hazardia squarrosa</i>	Big-tooth golden bush
<i>Sonchus oleracea</i> sp.	Sow thistle
<i>Stephanomeria</i> sp.	Wire lettuce
Boraginaceae	
<i>Eriodictyon tomentosum</i>	wooly yerba santa
Brassicaceae	
<i>Hirschfeldia (Brassica) incana</i>	Perennial mustard
Caprifoliaceae	
<i>Lonicera interrupta</i> .	Chaparral honey suckle
Caryophyllaceae	
<i>Spergularia rubra</i>	Red sand spurrey
Cistaceae	
<i>Helianthemum scoparium</i>	Rush rose
Cucurbitaceae	
<i>Marah fabacea</i>	Coyote vine
Ericaceae	
<i>Arctostaphylo glandulosa</i>	Burl manzanita
<i>Arctostaphylos glauca</i>	Big-berry manzanita
Fabaceae	
<i>Acmispon (Lotus) scoparius</i>	Shrubby deer-weed
Fagaceae	
<i>Quercus berberidifolia</i>	Scrub oak
<i>Quercus douglasii</i>	Blue oak
<i>Quercus john-tuckeri</i>	Desert oak
Scientific Name	
Common Name	
Garryaceae	
<i>Garrya elliptica</i>	Silk tassel tree
Geraniaceae	
<i>Erodium cicutarium</i>	Cut-leaf filaree

Grossulariaceae	
<i>Ribes</i> sp.	Current
Lamiaceae	
<i>Lepichina calycina</i>	Pitcher sage
<i>Salvia columbarii</i>	Chia
<i>Salvia mellifera</i>	Black sage
<i>Trichostemma lanatum</i>	Woolly blue-curls
Onagraceae	
<i>Epilobium canum</i>	California fuschia
Orobanchaceae	
<i>Cordilanthus rigidus?</i>	Bird's beak
Papaveraceae	
<i>Dendromecon rigida</i>	Tree(shrub) poppy
Phramaceae	
<i>Mimulus aurantiacus</i>	Sticky monkey-flower
Plantaginaceae	
<i>Keckelia cordifolia</i>	Vining penstemon
<i>Plantago lanceolata</i>	White-man's foot
Polygonaceae	
<i>Erigonum fasciculatum</i>	CA buckwheat
<i>Chorizanthe</i> sp.	Spine-flower
<i>Croton (Eremocarpus) setigerus</i>	Turkey Mullen
Ranunculaceae	
<i>Clematis</i>	Old-man's beard
Rhamnaceae	
<i>Ceanothus soledatus</i>	CA lilac
<i>Ceanothus cuneatus</i>	Buck-brush
<i>Frangula (Rhamnus) californicus</i>	Coffee berry
<i>Rhamnus ilicifolia</i>	Holly-leaf red berry
Rosaceae	
<i>Adenostemma faciculata</i>	Chamise
<i>Cercocarpus betuloides</i>	Mountain mahogany
<i>Heteromeles arbutifolia</i>	Toyon, Xmas holly
<i>Holodiscus discolor</i>	Ocean spray
<i>Prunus armeniaca</i>	Apricot
Rubiaceae	
<i>Galium andrewsii</i>	Spiny bed-straw
<i>Galium porrigens</i>	Climbing bed-straw
Viscaceae (incl. Loranthaceae)	
<i>Phorodendron serotinum</i> (villosa)	Oak mistletoe
MONOCOTS	
Iridaceae	
<i>Iris</i>	Cultivated Flag -
Agavaceae (Liliaceae)	
<i>Chlorogallum</i>	Soap plant
<i>Hesperoyucca whippleyi</i>	Spanish bayonet
Poaceae	
<i>Avena</i>	Wild oats
<i>Elymus condensatus</i>	Giant Rye
<i>Dactylis glomerata</i>	Orchard grass
